Positive Discipline Seminar

Dr. Jane Nelsen is a licensed Marriage, Family and Child Counselor in Carlsbad, CA . She is the author of the popular Positive Discipline Series and many other outstanding books .

Jane will share many parenting tools based on her new theme of “Connection before Correction” to help you be the parent you always wanted to be while helping your children be the best they can be.

Penny Davis has been a parent educator for 30 years, and a Certified Positive Discipline Associate since 2002. She is the Director of a Foster and Kinship Education program at Riverside Community College and an adjunct professor at San Bernardino Valley College where she teaches a class entitled, *Parent-Child Interaction*.

Penny will discuss the attachment cycle between infant and care-giver, and how this process impacts the foundational building blocks of the brain. She will share what happens for infants and children who have experienced abuse or neglect, and the resulting effects on physical and emotional development, as well as behavior. Traditional discipline methods often are NOT effective – Positive Discipline concepts and tools ARE.

An opportunity not to be missed!
